PROFIT WARNING

This announcement is made by Vistar Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571, Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the Group’s latest unaudited financial information for the six months ended 30 September 2024 (the “**Reporting Period**”), the Group is expected to record a decrease in the consolidated profit and total comprehensive income attributable to the Shareholders, to not less than approximately HK\$1.0 million, representing a decrease of approximately 69.0% for the Reporting Period as compared with a net profit of approximately HK\$3.50 million recorded for the six months ended 30 September 2023.

The Board considers that such variance was mainly attributable to events including the decrease in gross profit driven by less revenue being recognised from the projects of installation services in the completion or substantial completion stage during the Reporting Period. The above decrease was offset by (i) the reduction of administrative and other operating expenses, (ii) the reduction of income tax expenses attributable to the decrease in taxable profit, and (iii) the reduction of impairment loss of trade receivable and contract assets.

As the Company is in the process of finalising the results of the Group for the Reporting Period, the information contained in this announcement is only based on the preliminary assessment by the Board with reference to all information currently available to the Board and the unaudited consolidated management accounts of the Group, which have neither been confirmed nor audited by the Company's auditors nor reviewed by the audit committee of the Company, and is therefore subject to necessary adjustments. The actual results of the Group for the Reporting Period may differ from the information contained in this announcement. Shareholders and potential investors are advised to refer to the results announcement of the Company for the Reporting Period, which is expected to be published on or around 11 November 2024.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By Order of the Board
